

Single Feasible Source Purchase

Title: Gas Chromatographs/Mass Spectrometers (GC/MS)

Description: The Missouri State Highway Patrol (MSHP) Crime Labs desire to acquire additional GC/MS's via a single feasible source from Agilent Technologies. These new units must complement the existing GC/MS systems in the various MSHP Crime Labs throughout the State. It is critical that the new instruments be compatible with the existing hardware and software. Only Agilent units are compatible with the existing systems. The GC/MS systems are only available from Agilent Technologies.
